

There will be construction occurring outside of the normal construction hours from June 29th to July 29th. This work will take place on the West end of 24th Avenue South, beginning at 6:00am Monday through Friday and will include the use of power tools and small generators. We will also be using earthwork machinery between the hours of 7:00am and 5:30pm.

If you have any questions or concerns, please feel free to contact Jeff Walker (Project Engineer) or Tim Clark (On-Site Superintendent) with Sierra Construction.
